

A man and a woman are kneeling in a field of young green plants. The man, on the left, is wearing a brown jacket and a dark cap, and is pointing at a tablet held by the woman. The woman, on the right, is wearing a grey hoodie and a dark cap. In the background, there are several large blue and white silos under a blue sky with scattered white clouds.

**The future is in farmers' hands.
It could be in yours too.**

**The world needs a new generation of thinkers.
We need you. Join the BASF Agricultural Solutions Team.**

At BASF, we provide advanced solutions and agronomic advice to help growers farm today and into the future. We offer university and college students a wide variety of summer internships and roles upon graduation across disciplines including research, agronomy, technical services, sales, marketing and more. If you are up for the challenge, we want to hear from you. Visit [basf.ca](https://www.basf.ca) to learn more.
