

The University of Saskatchewan (USask) collects and creates information about students ("personal information") under the authority of the University of Saskatchewan Act and in accordance with the Local Authority Freedom of Information and Protection of Privacy Act. This information may be used for purposes of admission, registration, monitoring academic progress and other decisions on students' academic status, the administration of USask and its programs and services, including services for students of Aboriginal ancestry. This may include contacting students to offer programs and services that may be of benefit to them. USask will also use this information for statistical reporting purposes and some of this information may be used or disclosed in accordance with the Act, and will be reported as required by federal or provincial authority.

3. Personal Information Cont'd

Aboriginal student self declaration

The University of Saskatchewan has made Aboriginal student success a priority. To help the university support and better understand the needs of Aboriginal students, we ask Aboriginal students to self-declare as First Nation, Métis or Inuit. Self declaration is optional.

The university will use this information to develop and maintain effective programs and services that support Aboriginal student academic and personal success. This will include sending information about events, programs and services specifically for Aboriginal students.

Aboriginal Ancestry: It is determined by reference to the Constitution Act of 1982 and includes Indian (non-status/status), Métis and Inuit persons of Canada as well as persons who are accepted by one of the Aboriginal peoples of Saskatchewan as a member of their community.

Please indicate whether you are of Aboriginal ancestry. Completion of these questions is optional.
