Sample Submission Form

Company: _____ Contact Name: _____ Address: _____ _____ Postal Code: _____ Phone: _____ Email: _____ Sample Description: _____ _____ _____	Invoice Address (if different): _____ _____ _____ # of Samples Submitted: _____
--	---

Requested Analyses (X)

Moisture		ADF+Acid Detergent Insoluble Nitrogen		Titanium Dioxide		Peroxidase (Qualitative)		Mycotoxin Panel*	
Ash		ADF+Lignin		Gross Energy		Trypsin Inhibitor*		Ergot Alkaloids*	
Crude Protein (CP)		Neutral Detergent Fibre (NDF)		Chromic Oxide		Sinapine		*Analysis conducted by third-party laboratory	
Soluble CP (CP incl)		NDF+Neutral Detergent Insoluble Nitrogen		Acid Insoluble Ash		Phytic Acid (colourimetric)			
Non-protein N (CP incl)		Total Dietary Fibre		Mineral Profile*		Tannins*			
Crude Fibre		Crude Fat		Amino Acid Profile *		Glucosinolate Profile*			
Acid Detergent Fibre (ADF)		Total Starch		β-glucans		Erucic Acid*			

Notes: Analyses are conducted in duplicate.
 Base charge is applied once to each sample submitted (not for each analysis done on the sample)
 Grinding charges will apply to each sample if required.
 Additional analyses may be offered upon request.
